Annual Report 2013

Your Support towards **Dignified Mission**

Manovikas Charitable Society is an ISO 9001:2008 certified civil society organisation focusing on supporting young people with disabilities. It provides a comprehensive rehabilitation service assuring qualitative changes in the lives of the beneficiaries.

Vision

A future where each and every individual or group of people with disabilities is able and free to participate in all spheres of society based on internationally recognized human rights standards and values.

Mission

The Manovikas Charitable Society aims to integrate people with disabilities into the political, economic and social development of India by:

1. Providing educational support to increase people's independence for employment and to offer encouragement to become productive members of society.
2. Advocating for appropriate government policies.
3. Supporting and encouraging society to understand disability and promote equity.

Our Target Group: Students with Needs

The term students with needs include those who have long-term physical, mental, intellectual, or sensory impairments which in interaction with various barriers may hinder their full and effective participation in society on an equal basis with others. The degree of disability may range from mild to moderate, severe or profound.

Intellectual and Developmental Disabilities:

Mentally challenged (Intellectual Disability), Autism, Cerebral Palsy, Specific Learning Disabilities (Dyslexia, Dyscalculia, Dysgraphia etc.), Attention Deficit Hyperactivity Disorder (ADHD) etc.

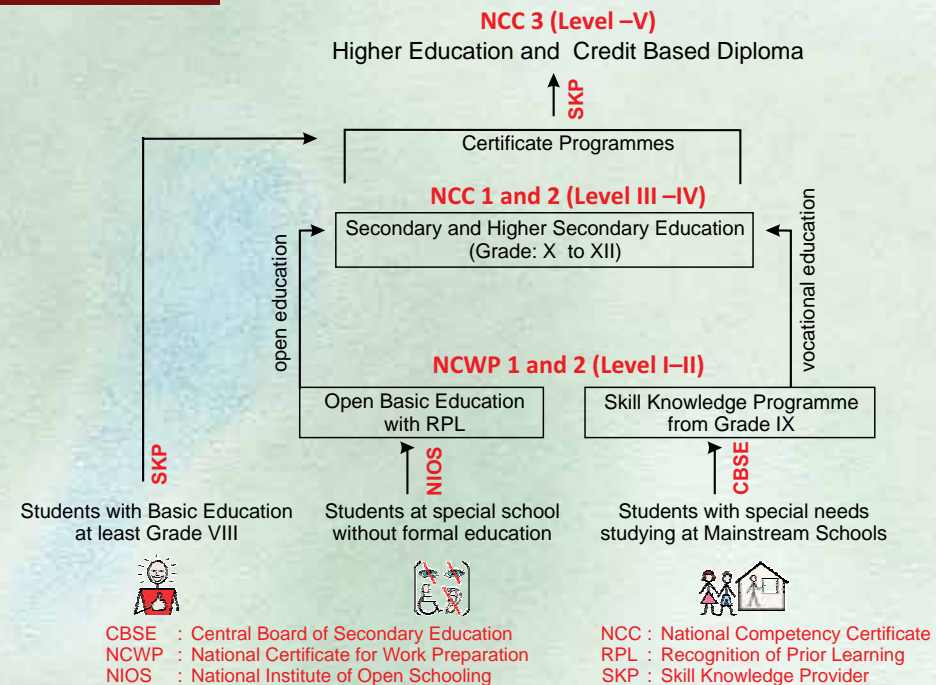

Sensory Disability: Vision impairment, Hearing impairment etc.

Physical Disability: Locomotor, loss of a limb(s), spinal injury or any other as defined by Persons with Disabilities Act & World Health Organisation classifications impairment that damages, weakens or makes worse physical ability.

Mental Disorder: Emotional, Behavioural or any other psychosocial impairments.

Manovikas Model of Education

Paradigm Shift towards **Inclusion**

Inclusion and Paradigm shift towards people with developmental delays are the new thrilling words of this decade. It is part of the endeavour to move faster and ever faster towards a society that is discovering the joy of equal participation in the culture that governs our civilisation!

What defines equalisation? At the end of all debates and discussions, it is the ability to earn a livelihood. Period. And that is the task that Manovikas is focussed on. A habilitation programme that is concentrated towards independent living of the developmentally delayed through gaining and achieving social skills, which combined with vocational competence enables employment and thus economic self respect.

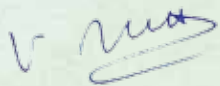

Civil society succeeds in sustaining change through an equal partnership of government and bureaucracy; and voluntary and non-governmental organisational participation. It is thus, splendid, that the government has acknowledged this truth: and acted promptly to establish a system towards training the developmentally delayed in social, educational and technical skills. The Central Board for Secondary Education (CBSE), National Institute for Open Schooling (NIOS) and Indira Gandhi National Open University (IGNOU) have all accorded priority to this area.

It is a matter of pride that YOUR organisation – Manovikas – has been recognised by all three to take the lead towards creating such an equitable society through selection as the implementation agency on their behalf: so truly, on behalf of Civil Society.

And Civil Society is really YOU, YOU and YOU...

Thank YOU.

This Annual Report, is rightfully therefore, a tribute to YOU!

Celebration of success and joyful moment of inclusion towards empowerment

Thank You
for bringing us the joy
Calling together

This is not the ordinary student celebrating success. It's an extraordinary effort to achieve higher education in believing amateur lives with hope. It is an assignment to develop the skills and knowledge and bring the meaningful livelihood support in their lives.

Because of your support in 2013, we've been able to celebrate the abilities, awarding the special minds, hold hands and restore hearts – more so and in more ways than we ever have before. But amid the great triumphs of the previous year, we look towards the countless challenges of the next.

Manovikas Family invites you to help us conquer once again. To help us break through. To push us further than we've ever been.

We invite you to take the next step and join our **Skill and Knowledge Programme** to give the livelihood support to our students. Your effort provides a 'life with dignity'.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Alok Kumar', is written over a light blue circular stamp.

Thank you for Giving Confidence and Hope

**Sheila Dixit, Chief Minister,
Govt. of NCT of Delhi**

I have been given to understand that the 'Manovikas Charitable Society' is engaged in attainment of higher and vocational courses of disabilities persons. The professional and vocational training centers have also been catering to the needs of needy persons putting up in the Capital City. I convey my best wishes to the society for the success of its all endeavors.

**Prof. M. S. Swaminathan, Member of Parliament,
Rajya Sabha, India**

Community colleges are the need of the hour since their major aim is to empower the community with new knowledge and skills. They also help to convert the concept of Right to Education into reality by reaching the un-reached and voicing the voiceless. I wish the Manovikas Community College continued success in the important work it has undertaken.

**Prof. P. R. Ramanujam, Professor of Distance Education,
Former Pro Vice Chancellor,
Indira Gandhi National Open University**

It is a matter of pride and inspiration for Persons with Disabilities to note what the students of Manovikas have achieved through hard work, education and perseverance to empower themselves. A small Success, but a giant Stride in the Journey of Manovikas.

**Chris Sims, Head of Joint Policy Advisory Group,
City and Guilds, Manipalglobal**

Institutions like Manovikas are a source of great inspiration for me personally. Ensuring that everyone, no matter what their background, can access training and education is a goal close to my heart; and the work of Manovikas is an essential part of achieving that goal.

A true honour to be invited to share this Important Day with you. Many Congratulations and Thank you.

**Mangat Ram Sharma, Former Minister,
Gandhi Nagar, Jammu & Kashmir**

I was very much Impressed. The society is doing appreciable work for the needy children. My Grand Daughter is herewith at present. She is interested to join the school. I have in my mind that she will successful in her Job. I have very appreciable comment for the people who are engaged in the betterment of such children.

**Stuti Narayan Kacker, Secretary,
Department of Disability Affairs, Ministry of Social Justice
and Empowerment, Govt. of India**

Great Achievement. My best wishes & Congratulation.
Keep it up.

**Dr. Uma Tuli, Founder Managing Secretary
Amar Jyoti Charitable Trust, Delhi**

It certainly is a positive step towards encouraging the people with intellectual and developmental disabilities. Your institute has been doing a commendable job for the last many years. What a great achievement. My Salutations to the Manovikas Team led by Mr. Vikram Dutt for such innovative efforts for Persons with Disabilities. God bless.

**G. Narayan Rao, Chairman & Managing Director,
Artificial Limbs Manufacturing Corporation of India**

The selfless service to people with intellectual disabilities being provided by Manovikas Charitable Society needs to be applauded by one and all.

The Job done by Manovikas – IGNOU Community College is amazing. I congratulate the entire team for hard work done with person with Disabilities.

**Dr. Jagdish Gandhi, Head,
City Montessori School, Lucknow**

It is a matter of pride and inspiration for Persons with Disabilities to note what the students of Manovikas have achieved through hard work, education and perseverance to empower themselves.

**Ratan N. Tata, Former Chairman,
TATA Group**

Please do convey my good wishes to the students and faculty of Manovikas.

**Anand G. Mahindra, Chairman & Managing Director,
Mahindra & Mahindra Ltd.**

Your organization is performing yeoman service to society and I would have enjoyed attending the convocation to encourage your students.

**Mangu Singh, Managing Director,
Delhi Metro Rail Corporation Ltd.**

I find that the Manovikas Charitable Society is indeed doing a wonderful job in bringing out the latent talents in the marginalized members of the community, making them professionally competent to handle jobs which, in the normal course they were denied access to.

**Dr. Adarsh Kishore, Chairman,
Axis Bank**

I would have liked to be with you and students on the occasion of 1st Convocation of Manovikas. My blessings and good wishes are with you and the children.

**M.M. Vidyarthi, Member,
Delhi Commission for Protection of Child Rights**

Congratulations, It is worth replicating such model of training as well as Convocation.

**V. N. Bali, Spokesperson,
RWAs Federation Delhi (East)**

There is a leader, a genius and an innovator in everyone. With will, determination and imagination everyone can achieve his or her true potential. This is very Succinctly summed up in the motto of Manovikas, "Yes, I can".

**Natalia Susak, Assistant Cultural Affairs Officer,
Embassy of the United States of America**

I am glad to see that so much attention is being paid to providing opportunities to youth with intellectual disabilities.

I congratulate you and your organization on your efforts to promote this in India. I wish you luck in your endeavors.

**Dr. B.P. Yadav, Former Chairman,
Rehabilitation Council of India**

It is a matter of pride that through your persistent efforts, hard work and skill, you and your team have solved a most challenging problem of the country and have shown that mentally challenged population can join the mainstream of education by persistent and skilful efforts.

I pray to God to bless you and your team with more success and guide others to open more such colleges.

**A.C Padhi, CMD, NSFD,
Ministry of Social Justice & Empowerment, Govt.. of India**

Excellent, Sincere work towards the goal of rehabilitation in society. Indeed, I am moved with the efforts being carried out at Manovikas.

Dr. Alka Neizamie, Deepshikha, Ranchi, Jharkhand

I was able to visit Manovikas Family. I am very happy to see the progressive approach and a very enabling environment. Wish many more Centres collaborate and learn to make lives better for our special children.

**Dr. (Mrs.) Vijaya Taing, Governing Member,
Manovikas Charitable Society and Parent**

To live with pride and dignity is not only the right of able but the disabled or differently able too. To dream about creating such a platform in the mainstream with sincerest feelings and reinforcement, has been the tremendous achievement of 'Manovikas Community College'.

**Dr. B.L. Jain, Senior Cardiologist and Director,
Delhi Heart Hospital**

Manovikas and its entire team are doing a noble task for someone, whom no one else is there. Hats off! Manovikas

Going to **school** with your support

Picture of 12 years-old Radha, who has intellectual limitation and couldn't go to mainstream school. Eight-year-old Shom, who threw tantrums like there was no tomorrow. And 15 year old Anup, who can't walk properly but, sings a song very well.

Keep in mind their history of exclusion and having long term physical, mental, intellectual or sensory impairments which is in interaction with various barriers may hinder their full and effective participation in mainstream school on an equal basis.

Consider the deep emotional ignorance.

Now awaken to the fact that all three are students.

They study at Manovikas School for Inclusion attending class III, V, VIII with the special support, modified curriculum and open basic education system.

Because of your commitment to Manovikas Family, we were able to provide an education for independence, school like environment - where Radha, Shom, Anup and other 50 students thrived amid Right to Education, loving care and patience they received.

More than 25 other students have since been trained and left us to studying further in mainstream schools.

Studying for credit of learning and its certification

A bright start

You support of Rs.12,00,000 will develop and deliver services for inclusive education and support children with disabilities, from advice and information to special education and working directly within communities.

“This College is one of its kind throughout India which has undertaken this unique work of providing opportunities for students with intellectual and developmental disabilities to study courses at the Indra Gandhi National Open University Community College using National Vocational Education Qualification Framework. I appreciate the efforts and steps taken by Manovikas for the empowerment of children and adults with disabilities.

I hope you can take this concept to all parts of the country. I know many organizations will be happy to follow your example if enough awareness is created.

I wish that Manovikas will continue to strive hard to maintain the spirit and to achieve the mission of the college.”

Respite and Residential care towards Independent living

Support residents and share a joy of living lively you please donate for their foods, living and maintenance medical, caregivers allowances, recreation, cloths etc.

Mr. Harish Vij, resident of Manovikas undergone to Hospitality Assistant Training Programme.

An independent living

We need Rs.15,00,000 (cost per resident per month Rs. 4200) for prolonged and respite care of needy and underprivileged people with disabilities and make change their quality of life, when their family has abandoned or society has exclude them.

A respite care

It wasn't going to end well. Anu relied on Mothers - the old parent in unfit condition, suffering from dire health issues that kept them from maternal responsibilities. To make matters worse, Anu didn't have the fallback of a supportive family. They had nothing at all. The situation was horrific but clear: No was to take care in the family. Manovikas Independent Living Centre was expected to provide prolonged and respite care.

We were receiving only 10% governmental support from the National Trust, we didn't hesitate, not one bit, because of the support we receive from you. There are 30 people living in Manovikas Independent Living Centre and they regain their health and introduce their life to a pleasant new beginning.

Thanks to the National Trust for partially supporting till March 2013

Together to Stop barriers of deprivation and negligence

Cheerful smiles of Roshan display willingness to work but he is freeze out how I can walk. Due to deprivation and negligence of family he lives in a slum area and creep for begging. Sath-Sath Community based rehabilitation project staff helped him to ride the tricycle and developed a rehabilitation plan for his livelihood. Roshan got training in Retail Assistant Training Programme and now he earns and leading independent life. The project aimed at ensuring livelihood opportunities through imparting skill based training to people with disabilities (PWDs).

There is a considerable change in the attitudes and higher motivation levels among persons with disability as they started earning their livelihoods and have been contributing to family income. Urban slum comprising People with Disabilities from the East Delhi Municipal Corporation area of National Capital Territory (NCT) of Delhi was categorically chosen. The total project area is 161 sq km, with a population density of 29992 persons per sq km. There are 87 slums in total in this municipal area.
